

EXIT STRATEGIES FOR VET BUSINESS OWNERS

BRISBANE ➔ JULY 10TH 2020

SYDNEY ➔ NOVEMBER 13TH 2020

Do you get so caught up in the daily running of your life and your practice that stopping to think about “what’s next” never happens? Have you looked around and wondered what will become of all the effort and energy you put into building your business? Have you ever been approached for partnership or buys outs, and aren’t sure what the best deal is, or if you’re even ready to sell?

Your business is important, so spend a day with us and find out how the processes in exit strategies work, from industry professionals. Like all VetPrac workshops, this is an opportunity to think practically about what and why you do what you do, so that you can make the right decisions at the right time.
